

Trekker

A three wheel modern Pram Stroller with lockable front wheel which combines ruggedness with light weight and flexibility. The large 'Smooth Ride' alloy wheels with Air Tyres and suspension make this one of the smoothest rides in it's class, whether on rough terrain or simply cruising down the high street...

- Combination Pram/Stroller
- Lockable Rotating front wheel
- 5 Point Safety Harness
- Large Underseat Bag
- Adjustable Handle
- Fully Machine Washable Fabric
- Rain Cover

Features include a generous underseat bag, adjustable handle height and spacious carrycot body. The internal backrest has a 5 point safety harness which can be adjusted into different positions. The wide seat unit also allows extra room for extra comfort.
