

## Rover

A modern concept design buggy with a lightweight yet strong chassis.

A modern concept design buggy with a lightweight yet strong chassis.

- 5 position seat
- Double swivel wheels
  
- Front and rear suspension
  
- Foam handles
- Backrest adjustable to sleeping position
  
- Robust undercarriage and rear brake
  
- Underseat bag
  
- Foldable hood
  
- Rain cover

4 double wheels with incorporated suspension. Luxury padded seat and back area for ultimate comfort make this one of the preferred '5' position pushchairs.

Underseat bag and rain cover come as standard as does the lockable steerable front wheels and rear brake. Padded comfort handles and easy fold frame feature.
